DANISH MEDICAL
DEVICES CERTIFICATION

EC Certificate

DGM-093

This is to certify that the quality system of

Cortex Technology ApS

Smedevaenget 10
9560 Hadsund
Denmark

has been approved in conformity with the requirements of

Annex V, section 3.2 - Production quality assurance

of Council Directive 93/42/EEC concerning medical devices as amended and transposed into Danish law.

The scope of the certification is:

Manufacture and final test of dermatological products in class IIa

The EC certificate is valid provided that the quality system continues to conform to the above-mentioned scope and provided that the company does not introduce substantial changes to the quality system without the approval of DS Certificering A/S. The EC certificate is issued pursuant to the DS Certificering A/S rules for the certification of medical devices and entitles the certificate holder to affix the CE mark.
