

Quality System Certificate

DGM-610

This is to certify that the quality system of

Cortex Technology ApS

Plastvaenget 9
9560 Hadsund
Denmark

fulfils the requirements in

DS/EN ISO 13485:2003 + AC:2007

The scope of the certificate is:

**Manufacture, testing and service of cryosurgical units
and cryosurgical accessories**

The certificate is valid provided that the quality system continues to conform to the above-mentioned scope and provided that the company does not introduce substantial changes to the quality system without the approval of DS Certificering A/S. The quality system certificate is issued pursuant to the DS Certificering A/S rules for the certification of quality systems for medical devices.
