LUXO

Ovelo

Ovelo - Uniquely designed LED task light for the modern office. Complete with a timer which automatically turns the light off after 9 hours of use to ensure energy savings, this task light uses 6W dimmable LEDs to illuminate an entire worksurface. A combination aluminum and steel construction and covered spring-balanced arm provides complete flexibility of the pivoting arm and lamp head.

- Light source: 6W Dimmable LEDs (4x1.5W)
- Total Energy Consumption: 8.1W
- 0.35W Offstate Power
- Color temperature: 3250 Kelvin
- CRI: 80
- 100 footcandles at 16in. (1000 lux at 400mm)
- Automatic shut-off after 9 hours
- Construction: Aluminum and prime quality steel
- Fully adjustable spring-balanced pivoting arm and lamp head with yaw and tilt
- Edge clamp mount or Table/desk base
- Colors: Silver Grey, Black or White
